### ALL OVER TOWN.

A Hogg club was organized last Saturday night at Downsville with about fifty members.

The friends of Governor Hogg announce that they will organize at Lorena next Saturday night.

Everyone securing 100 subscriptions to the Gulf Messenger at \$1 a year, will be entitled to a life scholarship at Hill's Business College. Call upon Miss Hartman, Pacific Hotel, for particulars.

Last night while the celebration was going on at Mayor McCulloch's residence a skyrocket fell into Mr. Fink's stable and set a quantity of feed on fire. There was plenty of help at hand, however, and the fire was out before the department arrived.

Mr. J. H. Brown while alighting from a street car last night at the corner of Washington and Fifth streets fell and had the misfortune of having his right arm dislocated and fractured at the wrist. The injured member was successfully set by Dr. N. A. Olive and the patient, though suffering much pain, is doing well.

A cartoon of Major Hinchman with a chip on his shoulder and bearing the inscription, "Mechanics and laboring men knock the chip off," was posted in a conspicuous place yesterday morning at the corner of Austin avenue and Fourth street. A number of mechanics and laboring men called at THE NEWS office this morning and requested that the fact that they had knocked the chip off be made public. We comply with this request, but think it hardly necessary.

### Well Merited Praise.

Mr. J. H. Jergins, the competent painter, grainer and glazer, has just finished two jobs of work of which he feels justly proud. One of these is at Joe Lehman's restaurant on South Fourth street, and the other at Lewine Bros' store on Austin avenue. The first is known as eggshell gloss work, and has only to be seen to be appreciated. Mr. Harry Lewine is lavish in his praise of the painting, graining and glazing done at his establishment by this finished workman, and stated this morning to a News reporter that he has never before had work of the same character done which has given him such perfect satisfaction and at such reasonable figures as this last done by Mr. Jergins. From an examination of his work it will be readily seen that he is master of his calling, and inquiry into his figures for first-class work will convince all that his motto—"Live and let live"—is strictly observed.

### The Gabert Bros.

It is worth while for any one who wears clothes to refrain from purchasing until he has taken a good look at the fine stock of the Gabert Bros., 116 South Fourth street. They are the leading tailors with the largest and finest stock of goods ever brought to Waco. They carry all the new and nobby styles of the spring of '92 with such diversity that no one can fail in finding goods to suit his own particular fancy. When it comes to cutting and fitting the Gabert Brothers are artists in every sense of the word with the most skillful workmen that can be procured. They give perfect fits and somehow their clothes have a look about them that only the work of artists can produce. Give them a call and look over their big fine stock before ordering a suit and you will have no reason to regret any order you may favor them with.

### THE LEGISLATURE TODAY.

**Jester Fund Bill Passed the House. Senate Wrestling with Dynamite.**

Special to The News.

AUSTIN, April 6.—The Jester school fund bill passed today in the house by a vote of 66 to 32.

The representation appropriation bill with senate amendments was not concurred in but referred to a free conference committee.

The registration bill was taken up and laid on the speaker's table subject to call.

Brown called up the railway land bill, Cochran took the chair and Lewis, Brown, Gresham and Gerald spoke on the measure. Brown advocated and the others opposed it.

The senate discussed the Kearby perpetuity bill which virtually takes from all corporations the authority to own real estate. It strikes at all building and loan associations. Carter said in his speech against it. "There is a barrel of dynamite in every section."
